Nov. 2013 - Present

Officer @ Temple IEEE

[Temple IEEE](#) is Temple University's chapter of the Institute of Electrical and Electronics Engineers. We organize meetings, workshops, etc.

Aug. 2016 - Present

Second Place @ HackNY XIII

Made [Toast Printer](#), a machine which toasts images of the user's choice onto a slice of bread. A Python script in the background parses the image while an Arduino with two stepper motors guides a hot wire around different areas of the bread.

April 2, 2016 - April 3, 2016

Director @ OwlHacks and Temple Local Hack Day

Director of both [Temple Local Hack Day](#), a 12-hour hackathon, and [OwlHacks](#), a 24-hour hackathon, both taking place at Temple University. I oversee the organization of LHD every semester, and we are planning our OwlHacks event for Fall 2017 or Spring 2018.

January 2016 - Present

President @ TUDev

[TUDev](#) is Temple University's hacker community. We organize meetings, Code@Nights, a MLH Local Hack Day for Philadelphia, hackathons, and bring Temple students to other hackathons. I was an officer during freshman year, and am currently the president of the organization.

Aug. 2015 - Present

President @ ACS ChemClub

Member since freshman year. Elected to be treasurer during junior year, and president during senior year. Taught basic chemistry skills to high school students through interesting, hands-on experiments. Helped promote science education and increased club attendance by about 300%.

Nov. 2011 - June 2015

President @ Science Olympiad

Member for a year and president for another. Organized and motivated students to learn various science topics to compete at regionals against other schools.

Dec. 2013 - June 2015

Officer @ Rocket Club

Our team placed 66th (out of 95) in the national [Team America Rocketry Challenge](#). It was one of two teams from Downingtown East HS to qualify for nationals.

Aug. 2013 - June 2014

Second Place @ Pilot Philly 2013F

Made [AutoFlip](#), a virtual notecard app that utilizes various technologies, including cloud computing and voice recognition, to always have the most recent and relevant point for you to glance down at.

Nov. 9, 2013 - Nov. 10, 2013
